

Jude Discussion Questions (*week of 19 July 2020*)

The point of the passage: Contend for the faith by keeping in God's love and showing mercy to all.

- (1) What stood out to you as something challenging or encouraging from Jude 20-25?
What did you "just need to hear" from those verses?

- (2) What further questions did you have about Jude 20-25 after the sermon?

- (3) What does it look like to keep in God's love during COVID restrictions? How can we be doing this (be building each other up, be praying in the Spirit)?

- (4) Discuss contending for the faith (v. 3) and the difference between what Jude says it is and what our (American) church culture says it is.

- (5) What would it look like for us (your family, your Life Group, our church) to contend for the faith as Jude suggests? How can we put this into practice?
